

The Mystery Train presents...

Drawn to Murder

an interactive murder mystery comedy

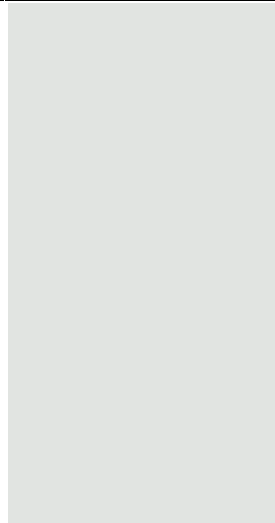

It's 1923 and Walt is fascinated with animation. Competition for Newman's Laugh O Grams is a funny business--but no one is laughing! Before you know it, some crazy characters are running loose on the train and it's all fun and games until someone gets rubbed out! It's a cartoon conundrum that Disney wouldn't have imagined!

"Drawn to Murder" opens June 26 and runs through August 22, with shows on Thurs, Fri, and Sat evenings at 7 pm. The Hereford House's Hollywood Room is our host (except for July 16 and Aug 13, when we're at Californos in Westport.)

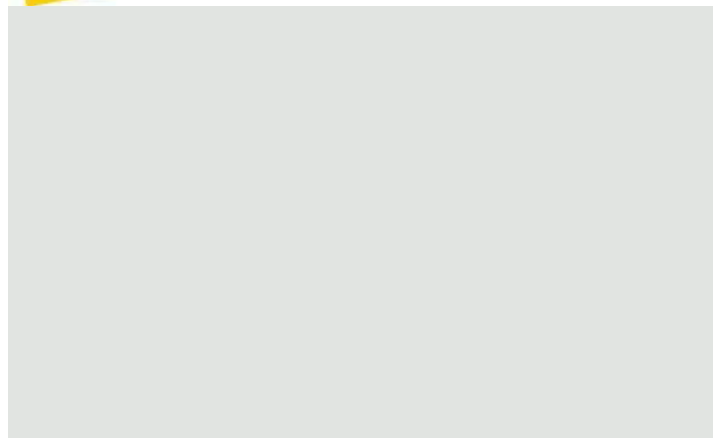

Can you figure out who did it? Will you play a part in the puzzle? Come join the excitement with The Mystery Train.

Tickets are \$54 - \$64 each and include a delicious four-course dinner, an interactive show and the gratuity. Reservations are needed. Call 816-813-9654
